**AMENDMENT TO REQUEST REMOVAL OF INVENTOR
UNDER 37 C.F.R. § 1.48(b)**

Dear Sir:

I, Barbara J. Carter, attorney of record for the above-referenced application, do hereby request amendment of inventors as follows:

Please remove inventors John Tellew and Xiaohu Zhang from U.S. Application Serial No. 10/596,648 who were originally listed as inventors when the application was filed May 9, 2007. Amendment of inventors is requested because claim amendments during prosecution have resulted in the inventors' invention no longer being claimed in the 10/596,648 application.

The processing fee of \$130 set forth in §1.17(i) is submitted concurrently with this Amendment.

I hereby declare that all statements made herein of my own knowledge are true, and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful, false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful, false statements may jeopardize the validity of the application or any patent issued therefrom.

Respectfully submitted:
